To Our Local Nonprofit Agencies:

When preparing the annual City budget, The City of Lincoln City considers the financial needs of local nonprofit agencies throughout the community. Nonprofit organizations enrich lives and strengthen our community. In addition to protecting and promoting cultural resources they provide services to our youth and most vulnerable. It is through the Nonprofit Grant Request Program that The City of Lincoln City provides funding to these vital organizations.

The City encourages projects and programs that foster community wellness, directly impact vulnerable population (s), and/or the civic engagement of Lincoln City residents and beneficiaries.

Interested recipients will need to complete the Nonprofit Grant Application Cover Page and attach additionally requested typed documents for submittal. The Application can be found on the City's Website at www.lincolncity.org and the City Manager's Blog at www.ronsreport.org.

A Committee of City Councilors will review the requests for funding and make a recommendation to the full City Council as to which agencies should receive funding. Grants will be awarded to organizations that provide services to the community of Lincoln City. The submission deadline is June 6, 2019 by 5:00pm. Submissions beyond the deadline will not be considered.

Sincerely,

Ronald F. Chandler
City Manager
