NEWS RELEASE: Spring your business forward

LINCOLN CITY, OR (April 12, 2019): Save money, start or expand your business and enhance the image of Lincoln City by using the tools from the Urban Renewal Agency's Economic Development Toolbox! We'll help you unleash your business potential and turn your vision into reality.

Make your business pop and get more customers in the door, benefit from the Agency's 0% interest Façade Improvement Loan. Included in the loan is up to \$600 of free design services.

Do you want to make your business more energy efficient and save money? Take advantage of the Agency's 0% interest Energy Efficiency Loan. Sign up for a free energy assessment with the Energy Trust of Oregon to get started.

Do you want to grow your business and reach its full capability? The Agency offers a Business Expansion Loan. Interest rates vary from 0%-2% depending on the loan amount.

Don't miss this opportunity. 0% interest loans are nearly free money. If you're looking for grants, check out the annual Explore Lincoln City Grant. Created by the Explore Lincoln City Committee, the grant program supports projects and events that will promote increased sales of lodging nights in Lincoln City. Visit Oregoncoast.org/vcb-grant-program for details, guidelines and to apply, first attend the required Grants 101 Workshop in May.

Did you know every business operating within the Lincoln City Urban Renewal District is eligible to attend any of the workshops and classes offered by the Oregon Coast Community College Small Business Development Center and it's completely FREE? Learn new tools and gain a competitive business advantage in this ever-changing marketplace. To register, contact (541-994-4166) or visit oregoncoastbusiness.com.

To be eligible to apply your commercial property or business must be located in the Urban Renewal District. For the complete list of Economic Development Tools and what is needed to qualify, contact the Urban Renewal Agency office (541-996-1095; 801 SW Highway 101) or visit the Agency's webpage at www.lincolncity.org/urbanrenewal.
